A suggestion for a new or revised bylaw or policy may be referred, at the discretion of the President and as appropriate to the subject, to the Superintendent, a Board committee, or a public advisory committee for study and formulation of a recommendation to the Board. Any study of a policy suggestion should consider whether the matter is adequately addressed in existing Board policy and whether the matter is more appropriately addressed by administrative regulation;
3. If a recommendation for a new or revised bylaw or policy results from referral for study, a proposed draft will be submitted to the Board for discussion and approval on first reading. Copies of the proposed draft will be made available to staff members and the public, and comment will be invited. Changes in the draft may be made, by a simple majority vote, when the draft is presented for approval on first reading;

The Board of Education may assume jurisdiction over any dispute or controversy arising within this school district and concerning any matter over which authority has been vested in the Board by statute, rule of the State Board of Education, or a contract or policy of this Board.

The Board may hold hearings that will offer the parties to a dispute, on notice duly given, a fair and impartial forum for the resolution of the matter.

Beyond the basic requirements of due process a hearing will vary in form and content as dictated by the severity of the consequences that may flow from the Board's determination, the degree of difficulty of establishing findings of fact from conflicting evidence, and the impact of the Board's decision on the school district.

Regulations for the conduct of adjudicatory hearings of the Board shall be prepared as guidelines for those who may be heard by the Board.

### 0134 BOARD SELF EVALUATION

The Board of Education is committed to the belief that every part of the school system in this district should be accountable to the public and that performance evaluation is essential to that accountability. The Board further believes that the improvement and growth of any institution depends upon an honest appraisal of its strengths and weaknesses. The Board accepts, therefore, responsibility for the conduct of a systematic program of self-evaluation and appraisal. The standards against which the Board will evaluate itself will be the educational goals, bylaws, and policies duly adopted by this Board.

The Board will annually adopt an evaluation instrument that permits individual Board members to record their assessments of the conduct of Board meetings, the fiscal management of the district, the conduct of the instructional program, and the relationship of the Board with the Superintendent, other district staff members, and the community.

The assessments of Board members will be tabulated and presented for discussion at a regular meeting of the Board in which the Superintendent will be invited to participate. The Board will formulate, as appropriate, goals and priorities that will serve to guide the Board in the ensuing school year.

### 0162 NOTICE OF BOARD MEETINGS

The Board of Education will give notice of all meetings in accordance with law.

#### Public Notice

The Board Secretary shall notify, in writing and no later than forty-eight hours in advance of the meeting, each Board member and each person who has duly requested such notification of the time, date, location, and, to the extent it is known, the agenda of any regular, special, or rescheduled meeting. Forty-eight hour notice shall also be posted in the Board office, delivered to two newspapers designated by the Board, and filed with the clerk of the Township of Washington, except that forty-eight hour notice is not required where the time, date, and location of the meeting has been published in the annual list of meetings approved by the Board in accordance with law.

Upon the affirmative vote of three-quarters of the members present, the Board may meet in the absence of adequate notice, provided that discussion and action is limited to specific and unforeseen or unforeseeable matters of such urgency and importance that delay for the provision of notice would be likely to result in substantial harm to the public interest and that notice is given as soon as possible after the call of the meeting in accordance with the provisions of law and this bylaw.

#### Personal Notice of Meeting

The Board shall provide personal notice in writing to an adult pupil, the parent(s) or legal guardian(s) of a minor pupil, an employee or officer of this district, or a prospective employee whose privacy may be invaded or whose employment may be affected by the Board's deliberations in private session. Such personal notice will include the date and time of the private meeting, the subject or subjects scheduled for discussion at the private meeting, and the right of the individual given notice to request that the discussions be conducted at a public meeting. Personal notice will be given no less than forty-eight hours in advance of the private meeting.

A written request for public discussion must be signed by the person making the request and must be submitted to the Board Secretary prior to the commencement of the meeting. Any such properly submitted request will be granted. In the event that one or more, but fewer than all, of a group of persons whose employment will be discussed request a public meeting, the discussion regarding the person or persons who have submitted the request will be severed from the rest and will be conducted publicly.

Notice of Board Meetings

A discussion held in public by reason of the written request of an individual will be conducted at a regularly scheduled meeting for which annual notice has been given or at a meeting for which adequate public notice has been given in accordance with law.

Nothing in this bylaw will permit an employee to request or the Board to grant the public discussion of tenure charges or permit the public disclosure of information regarding a disabled pupil.

### 0163 QUORUM

A quorum shall consist of four Board members, and no business shall be conducted in the absence of a quorum, except when the Doctrine of Necessity is invoked.

In the event a quorum is not present at the hour of convening, the meeting may be recessed to a time not later than 9:00 p.m. of the same day. If a quorum is not then present, the members present may adjourn the meeting to a later date within seven days.

The Board of Education recognizes that there may be matters that come before the Board or acts required of Board members in their official capacity where the Board member may have a conflict of interest or the act would be in violation of N.J.S.A. 18A:12-24. In these matters, the Board member(s) will remove himself/herself from any discussions, meetings (informal or formal), committee meetings, and/or a vote regarding the matter. The Board will consider this matter without the Board member(s) who has the conflict.

In the event a matter comes before the Board or an act is required of a Board member in his/her official capacity that is a conflict or would be in violation of N.J.S.A. 18A:12-24, the Board would still be required to have a quorum to consider the matter. However, the New Jersey Department of Education and the School Ethics Commission has envisioned this prohibition could create a situation in which so many Board members have a conflict, that the Board would be unable to take action on a matter. Therefore, when more than a quorum of the Board members must abstain from voting on a matter, the Board will invoke the Doctrine of Necessity consistent with the New Jersey Department of Education and School Ethics Commission guidelines as follows:

A. Board Member(s) in Conflict - Less Than a Majority of The Board

1. In the event a Board member(s) has a conflict of interest where the Board member will act in his/her official capacity, the Board member must remove himself/herself from any discussions, meetings (informal or formal), committee meetings, and/or a vote regarding the matter.
2. In the event a Board member is unsure whether he/she or any other Board member has a conflict of interest or whether the matter, if acted upon by a Board member(s) is in violation of N.J.S.A. 18A:12-24 - Prohibited Acts, the School Board Attorney will make a determination.
3. The School Board Attorney will provide the Board of Education an opinion on whether the matter is a conflict of interest or act prohibited by N.J.S.A. 18A:12-24 - Prohibited Acts.

# BYLAWS

4. If the Board member(s) believes he/she has a conflict of interest where he/she will act in his/her official capacity or if the School Board Attorney renders an opinion that the Board member has a conflict of interest where the Board member will act in his/her official capacity, the Board member will remove himself/herself from any discussions, meetings (informal or formal), committee meetings, and/or a vote regarding the matter.
- B. A Majority of Board Members in Conflict
1. In the event:
    - a. A Board member(s) believes he/she has a conflict of interest where he/she will act in his/her official capacity; or
    - b. If the School Board Attorney renders an opinion that the Board member(s) has a conflict of interest where the Board member will act in his/her official capacity; and
    - c. The number of Board members that have a conflict would make it so the Board would be unable to take action on the matter, then the Board may invoke the “Rule [or Doctrine] of Necessity.” (Citing *U.S. v. Will*, 449 U.S. 200 (1980)).
- C. Rule [Or Doctrine] Of Necessity
1. The Doctrine of Necessity may be invoked when more than a quorum of the Board must abstain from voting on a matter.
  2. There are three prerequisites necessary for a Board to invoke the Doctrine of Necessity:
    - a. The Board must be unable to act without the members in conflict taking part;
    - b. There must be a pressing need for action, i.e. the matter cannot be laid aside until another date; and
    - c. There can be no alternative forum that can grant the same relief. (*Allen v. Toms River Regional Board of Education*, 233 N.J. Super 651 (Law Division 1989)).

3. When the School Board Attorney advises the Board the Doctrine of Necessity must be invoked in order to obtain a quorum on a vote, the Board must announce that it is invoking the Doctrine.
  - a. The announcement must include the reason the Board must invoke the Doctrine of Necessity including stating the nature of each Board members conflict.
  - b. The announcement will be in writing and should be recorded in the minutes of the meeting by the Board Secretary at the point when the vote takes place.
  - c. It is enough for the Board to announce it is invoking the Doctrine and a Board Resolution is not required.
4. When the Board announces the Doctrine of Necessity is being invoked, the details, parameters and/or other pertinent facts of the matter to be voted should be revealed on an agenda for the public meeting in which the matter is to be voted upon.
5. The Board members who have a conflict in the matter are prohibited from:
  - a. Participating in any discussions on the matter prior to the announcement and public meeting; and
  - b. From entering an executive session in order to discuss the merits of the matter or contract; and
  - c. From offering their opinions on the matter at any time prior to the announcement and public meeting.
6. The Board members who have a conflict in the matter may only participate to the extent they may vote after the motion to approve and/or ratify the matter has been made and seconded and the Doctrine of Necessity has been thoroughly explained to the public.
7. Board members in conflict may only ask questions regarding the matter to be voted on in public and after the Board has invoked the Doctrine of Necessity.

### 0166 EXECUTIVE SESSIONS

The Board of Education may meet in a private session only to discuss and act on issues exempted by law from the requirement that all Board meetings be public and only after the adoption at a public meeting of a resolution stating the general nature of the subject or subjects to be discussed and, as precisely as possible, the time when and circumstances under which the discussion conducted in private session can be disclosed to the public.

The Board may exclude the public only from that portion of a meeting at which the Board discusses:

1. Any matter that has been rendered confidential by express provision of federal or state law or rule of court;
2. Any matter in which the release of information would impair a right to receive funds from the Government of the United States;
3. Any material the disclosure of which constitutes an unwarranted invasion of a pupil's privacy, including but not limited to records, data, reports, or recommendations relative to the pupil's personal and family circumstances, treatment, progress or condition, unless the adult pupil or the pupil's parent(s) or legal guardian(s) requests in writing that the same be disclosed publicly;
4. Any Collective Bargaining Agreement, or the terms and conditions that are proposed for inclusion in any Collective Bargaining Agreement, including the negotiation of the agreement with school district employees or representatives of employees;
5. Any matter involving the purchase, lease, or acquisition of real property with public funds or the investment of public funds, where it could adversely affect the public interest if discussion of such matters were disclosed;
6. Any tactics and techniques utilized in protecting the safety and property of the public when their disclosure could impair such protection and any investigations of violations or possible violations of the law;
7. Any pending or anticipated litigation or contract negotiation other than as stated in #4 in which the Board is or may become a party and any matters falling within the attorney-client privilege, to the extent that confidentiality is required in order for the attorney to exercise his/her ethical duties as a lawyer;

The presiding officer of each Board meeting at which public participation is permitted shall administer the rules of the Board for its conduct. Where his/her ruling is disputed, it may be over-ruled by a majority of members present and voting.

The presiding officer shall be guided by the following rules:

1. Public participation shall be permitted only as indicated on the order of business in the By-Laws of this Board.
2. All persons wishing to participate in a public Board meeting are encouraged to make their intent known to the Superintendent in advance of the meeting and include the topic to be addressed.
3. Participants must be recognized by the presiding officer and must preface their comments by an announcement of their name, address and group affiliation if appropriate.
4. 5. All statements shall be directed to the presiding officer, he/she shall redirect questions to Board members or administrators individually if necessary.

#### Minutes

The Board shall keep reasonably comprehensible minutes of all its meetings showing the time and place, the members present, the subject considered, the actions taken, the vote of each member, information sufficient to explain the actions taken, and any other information required to be shown in the minutes by law.

Minutes of public meetings shall be public records signed by the Board Secretary and filed in the Secretary's office in a minute book as the permanent record of the acts of this Board.

Minutes of executive meetings shall be filed in the Secretary's office in a place separate from the minute book until the time, if any, when the proceedings may be made public. At that time, the minutes shall be public records and shall be filed in the regular minute book.

The Secretary shall provide each Board member with a copy of the minutes no later than two days before the next regular Board meeting.

#### Electronic Recording

The School Business Administrator/Board Secretary shall make an audio tape recording of each Board meeting as an administrative aid in the preparation of minutes. The recording shall be retained forty-five days or until either summary or verbatim transcripts have been approved as minutes, whichever is longer, after which time they may be erased only if permission is granted by the New Jersey Department of State, Division of Archives and Record Management. All such recordings will be erased or destroyed in compliance with laws and rules for the destruction of public records.

The recording may not be able to be destroyed if a subject matter, vote, or Board action on the recording is the subject of litigation. The district will notify the New Jersey Division of Archives and Records Management when requesting permission that a recording be destroyed if the recording includes subject matter in litigation, or the district will not request permission to destroy such recording if the subject matter is in litigation.

### 0169 BOARD MEMBER USE OF ELECTRONIC MAIL/INTERNET

The Board of Education is a public body as defined in the New Jersey Open Public Meetings Act, N.J.A.C. 10:4-6 et seq., and the Board and its members are required to comply with the provisions of this Act. It is the right of the public to be present at meetings of public bodies and to witness in full all phases of the deliberations, policy formulation, and decision-making. Board members acknowledge certain discussions between Board members, other than during a Board meeting, may be subject to the provisions of the Open Public Meetings Act.

The Board of Education is also subject to the Open Public Records Act, N.J.S.A. 47:1A-1 et seq. The Open Public Records Act requires public agencies/School Boards to make certain governmental records subject to public access. Board members may, by written and/or electronic mail (e-mail), communicate with each other and with certain school staff regarding the school district's public business. "Public business" means and includes all matters that relate in any way, directly or indirectly, to the performance of the public body's functions or the conduct of its business. Board members acknowledge these written communications may be classified as a governmental record and may be subject to public access pursuant to the Open Public Records Act.

In order to ensure the Board and/or individual Board members comply with the requirements of the Open Public Meetings Act and the Open Public Records Act, the following guidance is provided regarding certain discussions and written communications regarding the public business:

1. Written letters, e-mails, and supporting documents regarding school district matters written by Board members to other Board members or written by Board members to school staff, unless the subject matter is specifically exempt under the Open Public Records Law, are governmental records and are subject to public access. Based on the potential for improper/inappropriate disclosure and/or breach of confidentiality that may compromise the Board or Board member, these communications should not involve confidential matters, especially any matter the Board may discuss in executive/private session outside the presence of the public pursuant to the Open Public Meetings Act.
2. Written letters, internet (chat) discussions, e-mails, and supporting documents regarding the school district's public business written by Board members to other Board members shall not replace deliberations that would prevent the public from witnessing in full detail all phases of the Board's deliberations, policy formulation, and decision-making process in accordance with the intent of the Open Public Meetings Act.

Legal Services

School districts and vocational school districts are prohibited from contracting with legal counsel or using in-house legal counsel to pursue any affirmative claim or cause of action on behalf of district administrators and/or any individual Board members or pursuing any claim or cause of action for which the damages to be awarded would benefit an individual rather than the school district as a whole.

The Board of Education will annually establish prior to budget preparation, a maximum dollar limit for each type of professional service, including legal services. In the event it becomes necessary to exceed the established maximum dollar limit for the professional service, the Superintendent shall recommend to the Board of Education an increase in the maximum dollar amount. Any increase in the maximum dollar amount shall require formal Board action.

Contracts for legal services will be issued by the Board in a deliberative and efficient manner such as through a request for proposals based on cost and other specified factors or another comparable process that ensures the district receives the highest quality services at a fair and competitive price or through a shared service arrangement. Contracts for legal services shall be limited to non-recurring or specialized work for which the district does not possess adequate in-house resources or in-house expertise to conduct.

### 0175 CONTRACTS WITH INDEPENDENT CONSULTANTS

The Board of Education may from time to time engage the services of one or more independent contractors to advise and assist the Board in analyzing school district operations and preparing Board reports when those tasks cannot be performed as economically by district staff members.

Wherever possible, the Board will seek proposals from multiple sources before a contract with an independent consultant is entered. The Board will not contract with a Board member or the spouse, child, parent(s) or legal guardian(s), or sibling, in fact or in law, of a Board member as an independent consultant.

The Board will engage the services of an independent consultant only by written contract, which must specify the work to be accomplished by the consultant, the time within which the work is to be completed, and the fee that will be paid the consultant. An independent consultant engaged by the Board is neither agent nor employee of the Board and may represent the Board only as expressly authorized to do so in writing.

An independent consultant may have access to such school facilities and school district employees as may be reasonably required in the performance of the consultant's contract with the Board. Except as expressly permitted by the contract, any communication between the consultant and a district employee or community member regarding the work of the contract must be conducted through the Board or a designated school official.

Materials and reports generated and created by the independent consultant in the performance of his/her contract with the Board are and will remain the property of the Board and are subject to Board Policy No. 8310 on public records.
